

TX-APWA Wins 25th Pace Award

The American Public Works Association (APWA) hosts an annual Public Works Expo (PWX) and it draws more than 5,000 public works professionals from all over the world. PWX provides a first-class multi-modal learning experience designed for professionals at all levels and across the entire spectrum of public works. Come prepared to see, hear, touch, and discuss in a variety of traditional and interactive sessions, seminars, workshops, and networking opportunities. Attendees can also spend time on North America's largest exhibit floor for public works equipment and services—we've carved out gen-

erous portions of non-compete time so you don't miss any sessions. Kick tires, talk about technology, or get the scoop on new products.

PWX was held in Charlotte, NC on August 28-31, 2022, and the Texas Chapter of APWA (TX-APWA) had over 200 members attend! So, when TX-APWA won its 25th PACE Award*, Texas members left its mark by having almost 100 people on stage to accept the award!

PWX will be held in San Diego, CA on August 27-30, 2023 – we hope to see some of you out there!

**The purpose of the Presidential Award for Chapter Excellence (PACE) is to recognize APWA chapters for contributions made to positively impact their membership, profession, and community. This award recognizes chapters that demonstrate this accomplishment in a given year.*
