The Texas Chapter of APWA Scholarship Fund

The Texas Chapter of APWA created a scholarship fund to provide scholarships for higher education (college graduate and undergraduate), as well as for professional development (continuing education and training for certification or licensure). It is the goal of the Chapter to award several \$1,000 higher education scholarships. Scholarship awards are contingent upon funding availability.

Selection for Student Scholarship

A specific course of study that offers a career field in public service or other public sector career is required to apply. Examples of technical expertise may include but are not limited to:

- Emergency Management
- Engineering and Technology
- Facilities and Grounds
- Fleet Services
- Leadership and Management
- Solid Waste Management
- Transportation
- Utility & Public Right-of-Way
- Water Resources Management

Selection for Professional Development Scholarship

Professional development scholarships will be available for active members or their co-workers to attend a continuing education and training for certification or licensure course that is directly related to their current job, career advancement or areas of responsibility. The maximum amount of this scholarship is \$1,000. At least half of the scholarship amount shall go towards tuition / registration and the rest may be used to pay for travel/accommodations.

Applicants will be selected on the basis of course of study, career goals, community service, and level of involvement with APWA.

Forms and additional information for all types of scholarships are available at <http://texas.apwa.net/PageDetails/9102>.

Membership

Imagine having an additional 30,000 staff members to help you examine and resolve problems and advanced processes. APWA membership brings you this and more. For over 75 years APWA's goal has been to promote professional excellence and public works awareness through education, advocacy and the exchange of knowledge. Your membership and participation help attain that goal.
