

Going to the Texas Municipal League (TML) Conference in Dallas (October 4-6, 2023)? Then Stop by Our Education Session!

Session Title: The Integration of Innovation into Public Works Maintenance (courtesy of the Texas Chapter of the American Public Works Association)

Description: Public works is a critical city department that provides essential services to citizens. Increasing financial constraints

on maintenance budgets require staff to maximize funding through innovative ideas to accomplish maintenance activities. Some ideas include the use of technology, asset management, staff experience, working with suppliers, and collaborating with other cities. In this practical session, you will gain insight into how to integrate

innovation into public works maintenance in your community.

Location: Kay Bailey Hutchison Convention Center; 650 S. Griffin Street, Dallas, TX 75202; (Room TBD)

Date/Time: Wednesday, October 4, 2023; 3:30-4:45 p.m.

Presenters: Jody Byerly, Public Works Director, City of Carrollton; and Shannon Hicks, P.E., Director of Public Works and Engineering Services, Town of Addison

Public Workshop and Equipment Roadeo – Coming up February 5-7, 2024 in Wichita Falls, Texas

The Public Workshop is an annual educational opportunity offered by the Texas Chapter of the American Public Works Association, aimed at providing critical

training and industry exposure for the public works practitioner.

In addition to educational sessions, the Public Workshop also includes an Equip-

ment Roadeo that affords competitors the opportunity to showcase their expertise while operating the latest equipment.

Check our website at www.txapwaworkshop.net for details and updates.
