To: Prospective Sponsor  
RE: APWA PWX 2026 in Houston, Texas | August 30 – September 2, 2026

Howdy Partner!

As a key firm in the Texas Chapter of the American Public Works Association (TX-APWA), we are contacting you to request your financial support as we prepare to host the APWA's 2026 Public Works Expo (PWX) in Houston, Texas! Being selected to host "The Greatest Show in Public Works" with our fellow public works colleagues from North America and beyond is a fantastic honor and opportunity for our local members and region.

Since Texas last hosted the APWA Congress and Exposition (now PWX) in San Antonio in 2007, APWA has grown to boast a membership of more than 31,500 worldwide members from local, count state/province, and federal agencies AND private sector folks who supply amazing products and services. PWX 2023 in San Diego set new records with over 6,200 attendees and more than 82,000 square feet of exhibit space, and 418 exhibitors. With your support, PWX 2026 will be a Texas-sized opportunity you do not want to miss!

On behalf of the Texas Chapter, we thank you in advance for your support that will allow us to achieve the very best APWA PWX ever on August 30 – September 2, 2026. The enclosed information highlights our local "Sponsorship" program and summarizes the different levels of sponsorship and benefits that you will receive for being a PWX 2026 local sponsor. For your convenience, sponsorships can be made in one lump sum payment or in two (or three) annual payments. A minimum of fifteen percent of contributions go towards Texas Chapter scholarship funds.

Respectfully,

**Texas Chapter of APWA**
