August 2026

To: Prospective Sponsor

RE: APWA PWX 2026 in Houston, Texas | August 30 – September 2, 2026

Howdy Partner!

The Texas Chapter of the American Public Works Association (TX-APWA) invites your support as we prepare to host PWX 2026 in Houston, August 30 - September 2.

PWX continues to grow, with Chicago (2025) welcoming a record **6,776 verified attendees**. Building on that momentum, **PWX 2026 Houston is on track to feature the largest exhibit floor in APWA history**, with nearly **114,000 net square feet of exhibit space** and exhibit space nearing sold-out status. Texas Chapter Host Sponsorships offer a meaningful way to be part of this historic PWX through Chapter-led events, activations, and attendee experiences.

Our 2026 Sponsorship Program includes traditional packages and **new a la carte opportunities**, allowing you to align your brand with specific events and attendee experiences throughout the week.

Texas Chapter Host Sponsorships support Chapter-led events and activations and are **separate from APWA's national sponsorship and exhibitor programs**. Host Sponsors will receive targeted recognition through Chapter events, as well as visibility across select conference platforms, including the website, mobile app, and on-site branding where applicable.

Your investment supports the success of PWX 2026 and **includes a commitment that a minimum of 15% of contributions will fund Texas Chapter scholarships**, benefiting future public works professionals.

We appreciate your consideration and look forward to partnering with you in Houston.

Respectfully,

Texas Chapter of APWA

PWX26Finance@TxPublicWorks.com

Please Note: Sponsorship opportunities support Texas Chapter-hosted events and initiatives during PWX 2026 and do not include conference registration or admission to PWX events unless specifically noted. Conference registration, exhibit hall passes, and/or individual event tickets must be purchased separately for attendee access.
