Fulshear's Next Five Years

Plan Ahead

Align projects with growth, capacity needs, and long-term priorities.

Strengthen Infrastructure: Invest in reliable utilities, drainage, and transportation.

Improve Connections:

Support mobility and access across the community.

Enhance Quality of Life: Advance public spaces and facilities that serve residents.

Deliver Responsibly:

Prioritize investments, pursue funding opportunities, and communicate progress.

A connected, resilient Fulshear—prepared for growth and built to last.
