Doing Business with SJRA

Brazos Valley e-Marketplace

- Register as a Supplier
- RFQs (Professional Services)
 - Project Specific
 - Professional Services Shortlist
- RFP/CSP
 - Construction (Minor/Major)

The screenshot displays the login interface for the Brazos Valley e-Marketplace. At the top, a banner features logos for the State of Texas, City of Bryan, BTU, City of College Station, and SJRA. Below the banner, the text "Welcome to the Brazos Valley e-Marketplace!" is centered. To the right, a "Login" form includes fields for "Username" and "Password", each preceded by an asterisk. A "Login" button is positioned below the password field, and a "Trouble Logging In?" link is below that. To the right of the login form is a "Supplier Registration" button. At the bottom, four tiles are arranged horizontally: "Current Bids" (with a document icon), "Closed Bids" (with a checkered flag icon), "Awarded Bids" (with a trophy icon), and "San Jacinto River Authority" (with a "www." icon and a cursor). The footer features the "EUNA Procurement" logo, with "Powered by ionWave" written below it.
